ABOUT THIS CATALOGUE

Marrakech in four days, nine different ways.

Each package combines 4 days and 3 nights based in Marrakech, on half board, with private transfers, selected accommodation and an English-speaking guide on the excursions indicated.

The red city is always the starting point; what changes is the third-day experience — a Berber valley, a waterfall, a desert, a cooking class, historic gardens, a balloon flight or the gateway to the Sahara. This catalogue presents the nine programmes with a day-by-day itinerary, inclusions and price range per person.
